

A Typical Day at the Project Scientist Academy

8:30 - 9 AM	Girls arrive and get pumped for the day!
9:15 - 10 AM	STEM Superstar! — A female scientist visits in person or via Skype to talk with the girls about her STEM story, her profession, and strategies to succeed in that field
10 - 10:15 AM	Snack / Restroom Breaks
10:15 AM - 12 PM	Hands-on EXCITING STEM!
12 - 12:45 PM	Lunch / Recess
1 - 2 PM	Hands-on AMAZING STEM!
2 - 2:15 PM	Snack / Break
2:15 - 4:45 PM	Innovation Enrichment Labs — Girls are divided and spend 30 minutes in each activity: Arts (STEAM) integration, PE (Physical Education) integration, and Makerspace
5 - 5:30 PM	Pick-Up

*The times indicated are estimate and include transition periods.

**One day per week will be offsite on a field trip expedition.
